

Have you ever made a decision and then found out you based your choice on false information? Would having accurate information have changed things?

---

---

---

---

---

---

---

---

---

---

Who in your life is trustworthy? How do they act?

---

---

---

---

---

---

---

---

---

---

Has anyone ever broken your trust? In what way? How did you treat them afterward?

---
